NEW/COMERS

We now are releasing our estate wines that come from our premium grapes grown on our property, 15 years in the making. It is the Blattner crosses. These wines are now available for you as we have put in a SKU and UPC on these. They were planted in 2008 and the first single varietal wine was released in 2020. it is our passion to make more full bodied wines from our region and that way for us was to experiment.

OUR VISION

WWW.ROCKYCREEKWINERY.CA

We want to cultivate meaningful relationships with stores and restaurants to promote this unique wine region and the benefits of shopping locally.

One of the cornerstones for our business has been to design and operate it in the most sustainable fashion. We are minimizing our carbon footprint; reusing, reducing or recycling waste materials.

Your profit margins are important to you; that makes them important to us. Reach out to us if you have questions about your profit margins for our products.

We strive for quality products that stand up against others both regionally and internationally. We enter competitions every year just to see where we stand against others.

THANK YOU, AND WE LOOK FORWARD TO WORKING
WITH YOU.
